Hunt Waterfowl in Alberta, Canada

This is waterfowl hunting at its VERY best. We have the right equipment, the right guides, and are blessed to operate in an amazing waterfowl habitat. This is a world class waterfowl trip. It doesn't get any better than this!! One bit of advice... bring LOTS of ammo!!

Whether you are an avid hunter or a first time water fowler, this is one of the best outfitters to guide you for waterfowl. We are located right in the heart of where three migration routes meet; the territory covers thousands of acres of land in North Eastern Alberta right to the Saskatchewan border. You will see a wide array of ducks and geese; Canada Geese - Greater and Lesser, Speckle Bellies, Snows, Ross, Pintails, and Mallards to name a few. Our goal is to put you under a sky filled with birds every time you hunt.

Your accommodation is our lodge complete with kitchen, dining room, and living room to relax after a day of hunting. Also available is a fitness area and pool table. Your meals are prepared at our own ranch-style restaurant where you will enjoy tasting Alberta Rancher Elk and our Famous Alberta Beef; the restaurant is a family steakhouse and gourmet coffee shop located in the town of Elk Point.

Usually our first visitors are the early rising ducks or specks; you can hear the whistle of their wings as they fly all in unison right over our blinds; ducks come in fast and hard, this is action packed water fowling which you will love. Not long after the ducks start flying, you can hear the cackle of the geese as they start flying over the horizon; our guide uses various calls to attract the birds and give you prime opportunity to see

nature up close and personal. Hunters are encouraged to take birds home as they will be processed and ready for your freezer at home. 1 wing must remain attached to the bird for customs. 16 Dark Geese, 16 Ducks and 60 Snow geese can be taken home. Please bring cooler or buy cooler in Canada. Soft sided coolers seem to work the best.
