HUNT ELK, MULE DEER AND BEAR IN COLORADO

w

[Click for Additional Photos](#)

These are fully guided hunts for Elk, Mule Deer and Bear on over 60,000 acres combined of private land and BLM leases in GMU's 11, 22 and 23. The land consists of cottonwood trees, river bottoms with willows, rolling hills, sage brush, juniper trees, cedar trees, timber patches, oak brush, creeks, ponds and streams, hayfields, oak fields and wheat fields. The location is in the beautiful White River Valley in the Northwest corner of Colorado. Your hunting elevation will range from 6000 to 8000 feet. You will be staying in the outfitter's new lodge.

Guides are great hunters themselves and know what it takes to get you in close to that bull or buck you've been waiting for and get you a good close shot. Many of the archery and rifle hunters have great opportunities at legal bulls and bucks in the course of a 4 to 5-day hunt. The physical demands of our hunts are fairly easy, as far as elk hunting goes, but you should be prepared to walk 1-3 miles a day at an elevation of 6000'- 8000'.

Archery Elk Season (OTC) Units 11 & 22 \$3,800.00

Week Four: Sept 12 thru Sept 16 (5 day hunt)
